

GARY, CINDY, JOSIE:

Gary and Josie are cops. They are married. They both hate Cindy. Cindy is one of those bad girls who comes to town for money and love in that order. She has not been as successful as Lila and has managed to alienate everybody in town. She is trying to get out of town before someone really hurts her when she stops at this restaurant and there is Gary and Josie. Gary seizes the opportunity and drags Cindy out on these docks (in the back of the restaurant). When he confronts Cindy she is pretty scared and tries to apologize, but Josie joins them and now we find out how much Josie hates Cindy. Cindy is trapped.

The truth is this: Back story: Gary was on assignment and was in a mine when it collapsed. They called Josie and told her to get there as fast as possible, they didn't know if Gary would survive. Josie rushes to the scene with Gary's brother. When they get there, they are told Gary is dead. In their grief, Josie and Gary's brother make love. THEN, Gary is not dead. Flash forward: Josie finds out she's pregnant and the timing works out that it is Gary's brother's baby. Cindy finds out about this and blackmails Josie. The two women have a fight on these very docks and Josie goes in the water and loses the baby. Josie eventually tells Gary the whole truth and all is forgiven.

At another point in time, Cindy is accused of a murder and she points the finger at Gary. Gary is under suspicion for a while and removed from the police force for a while. Obviously, this casts aspersions on his integrity and as a cop he feels that will never leave him.

So, Gary and Josie really wish harm on Cindy and they have her trapped on these docks behind a restaurant.
